

M1540

PRODUCT DESCRIPTION

The Venus M1540 Pallet Wrapper features two pre-programmed automatic cycles and totally manual operation, soft turntable start and stop, automatic turntable homing and a photo eye pallet height detector. It also has an adjustable spring brake film tensioner and an optional load ramp.

For automatic, select program 1 or 2 and press start. Program 1 applies 2 extra bottom wraps and 1 extra top wrap. Program 2 applies 3 extra bottom wraps and 2 extra top wraps.

For manual, use the start, stop, and pause buttons to remain in total control of the wrapping process.

PRODUCT FEATURES

- Emergency stop
- Auto and push button
- Forklift slots for easy relocation
- Turntable automatically returns to home position
- Turntable soft start and stop
- Adjustable spring brake stretch system
- Servicing and spare parts available
- Also available optional loading ramp
