

N°225 Reinforced Kraft Tape

PRODUCT DESCRIPTION

No.225 is manufactured using premium kraft paper and is reinforced with glass fibres for extra strength and high holding ability. Versatile and well-suited for a variety of applications.

APPLICATION INFORMATION

- Due to the added reinforcement, this type of tape generally has higher tensile strength.
- Suitable for heavy-duty packaging scenarios, where the tape needs to withstand greater stress, such as sealing and bundling heavy boxes.
- Requires a tape dispenser or scissors.
